WNA Vision: All children will achieve their full potential, with holistic support, whilst enjoying and driving their own learning, gaining self-respect, self-esteem and self-belief. Our classroom extends to rich, exciting environments within the forest, the beach, the city and the community as a whole.

WNA believes that:

- Every child has the right to education that is appropriate to their age, ability, aptitude and special education needs they may have
- Parents have the legal responsibility for ensuring that their child is properly educated and we respect their right to choose to educate their child, other than at school, according to their philosophical, ideological or religious views/beliefs.
- The decision by parents to elect to educate their child at home should be an informed, active and positive one. It is important that parents obtain sufficient information about home education before making the decision.

- In order to fulfil our statutory duty to assure ourselves that children who are home educated receive a suitable education, we should promote an active dialogue with parents and work in partnership with them. We find the best way to do this is to offer a home visit so that we can truly work in partnership.
- If a parent chooses to withdraw their child from school to home educate them, we recognise that they may need time to establish their home education practice. We therefore do not necessarily expect a detailed plan at the beginning and will maintain a regular and supportive dialogue with parents, as appropriate.
- As well as their educational needs, WNA will be mindful of a child's personal, health, safety and welfare needs at all times.

WNA will support the choice of parents who elect to home educate, unless it appears to us through *informal enquiries* that suitable provision is not being made for the child. If we consider that provision is not suitable, we will make further investigations.

For the purpose of this document, the term "parents" includes anyone who has parental responsibility, including guardians and carers
