Hello Everyone!

We have loved teaching all of you **SUPERSTARS** and we have enjoyed learning lots from you too and listening to your stories, whilst you continue to grow and progress. You should all be so proud of all the achievements you have accomplished as all your small steps have become big successes. You have become fantastic writers, great mathematicians as well as being more confident too. We are confident that each and every one of you will continue to grow and blow us away with all your future achievements in Year 2 and we can't wait to see them. We will miss our lovely Year 1s but we know you will have fun and learn lots with each other as a team as well as with Chantelle and Adriana. We wish you all a wonderful summer break that is both exciting and restful. Thank you to all the children, parents/carers and all WNA staff for continuing to make this year a positive year with all your support. Keep shining brightly and keep smiling Year 1! Khadeeja and Amy x

Writing

This week in SPaG we have continued to learn more about the meanings of our common exception words (red words).

We have also been learning all about space, which I know a lot of you have enjoyed! I must say the children in school did a FANTASTIC script using speech marks for the video we watched called 'The Way Back Home' - I was very impressed! If you have done any super writing please share with myself and Khadeeja, as we love seeing how fantastic you all are.

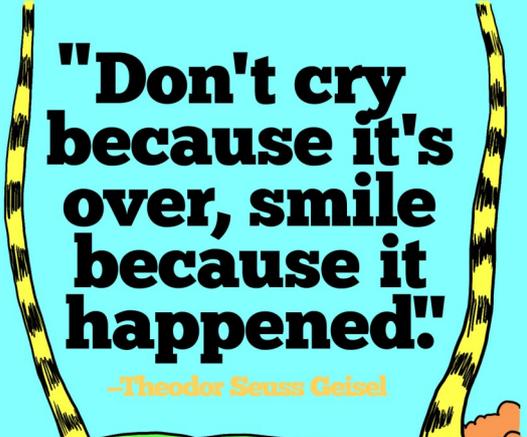

Sadly this is the last week of school before we come back properly in September and although this year has been strange, we are very proud of all of you for your amazing effort! Well done and have a brilliant summer holiday.

Maths/Number

This week, we have been learning about : **to learn time to an hour, time to half an hour, writing time and comparing time**; as well as Friday's math's challenge.

It is our last week of home learning but I just want to say how well you have all worked. Keep practicing your number bonds and counting. Well done!

Maths Fun: Using the date at the start of the page, **create a Summer journal and write about your summer holiday adventures**. Try to draw and write sentences about some of your days. Practise reading it aloud to a grow up or your
