

Day:	Phonics & Reading	Writing (incl. SPaG)	Maths	Topic	Other
Monday	<p><u>Phonics:</u> Re-cap and practise previously learnt sounds.</p> <p><u>Reading:</u> Read and practise all the words on 'Reading sheet 2' - including the nonsense words, green words and red words. (send in email and on school website).</p>	<p>We are looking at the story - The Troll, by Julia Donaldson.</p> <p><u>Activity:</u> Draw a story map, drawing key images and words, with arrows in-between.</p>	<p>Related facts of number bonds to 20. (this will be shown on Zoom)</p> <p><u>Activity:</u> Practise your number bonds to 20. Look at one way you can make 20 - how many related facts do you know and write these number sentences down. <i>Can you show different representation using different objects such as pennies, hair bobbles, pegs, playdough? Please repeat this activity with different objects each time.</i></p>	<p>Geography Watch the video about the oceans. Link: https://www.youtube.com/watch/1WZsxVDTqcU?app=desktop</p> <p><u>Activity:</u> Colour a world map with the oceans and can you label the oceans on a map.</p> <p>Pirate activity: Pretend you are a pirate, think about what your treasure would look like. Draw and plan your own treasure coin, think about the detail you would add onto your coin.</p>	<p><u>Exercise with Joe Wicks.</u> https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ</p>

Complete the 2Do on Purple Mash: 'Matching digit to words'

<p>Tuesday</p>	<p>Phonics:are (are, care and share). E.g. care, dare, share, etc.</p> <p>Reading: Reading comprehension: With an adult discuss and share your answers. Make sure you explain why too and see if you can write your answers down.</p> <ol style="list-style-type: none"> 1. What are trolls supposed to eat? 2. What did the troll take with him? 3. What did the troll use to dig the hole? 4. Why did the troll throw 	<p>Activity: (will be shown on Zoom) Write some instructions of directions to find treasure. Use the treasure map you have made to help you. If you want to, you could hide your treasure in your house and write instructions for someone else (in your home) to find. E.g. Turn right and walk three steps.</p>	<p>Subtract numbers within 20 by not crossing 10.</p> <p>Watch White rose clip: https://vimeo.com/492197096 Children can record the number sentences on paper and do not need to print worksheets off.</p> <p>Activity: Children begin to subtract numbers and not cross 10 at this stage. Make a tens frame and use loose parts to practise. You can even use pegs and a hanger and when you take away you can take a peg off. Have a go at these:</p> <ol style="list-style-type: none"> 1) $15 - 4 = ?$ 2) $18 - 6 = ?$ 3) $20 - 3 = ?$ 4) $12 - 1 = ?$ 5) $17 - 2 = ?$ 	<p>Geography Activity: Research about an ocean you are interested in. Create a fact file using facts and pictures.</p> <p>Pirate activity: Use salt dough to make your own coin - use your plan to help you know what detail you would add. Once your coin is dry you could decorate it using paint, pens or anything else you have at home. Use the recipe: Classic Salt Dough Recipe, Perfect for Rainy Day Activities (rainydaymum.co.uk)</p>	<p>Enjoy storytime of the following book 'The day the crayons quit'. away the gold?
5. Why were the troll's knees knocking when he was walking the plank?

Complete the 2Do on Purple Mash: 'Subtracting within 20'

Wednes
day

Phonics: ur (ur, nurse with a purse). E.g. purse, nurse, turn, etc.
Reading: Reading books on Oxford Owl:
https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=Age+9-11&level=&level_select=&book_type=&series=#

Activity: (will be modelled on Zoom)
Have a think and use your imagination to think about what is in the treasure box. Write some sentences (at least 3 sentences) and see if you can use some adjectives to

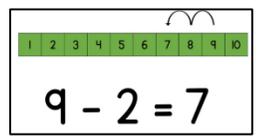

describe the treasure.

Subtract numbers within 20 by counting back.

Watch White rose clip:
<https://vimeo.com/492198226>
Children can record the number sentences on paper and do not need to print worksheets off.

Activity: Draw a number line 0-20 to help you. Start by counting to 20 and then backwards to 0. Remember when we count backwards, we count the numbers on the left side (we count backwards).

Have a go at these:

- 1) $20 - 6 = ?$
- 2) $19 - 3 = ?$
- 3) $12 - 1 = ?$
- 4) $18 - 4 = ?$
- 5) $17 - 5 = ?$

Complete the 2Do on Purple Mash: 'Subtraction Quiz'

Computing (will be introduced on Zoom on Tues)

Activity: Create an algorithm for your toy or family member to follow to find treasure. An algorithm is a set of instructions that a computer or something will follow. You can use pictures and words to help give clear instructions.

Pirate activity:

Once you have made your salt dough coin, can you write a recipe / instruction so somebody else could follow this to make their own salt dough coin.

Exercise with Joe Wicks.

<p>Thursday</p>	<p><u>Phonics: er</u> (er, a better letter). E.g. letter, better, never, etc.</p> <p><u>Reading: Poetry:</u> (introduced on Zoom) Watch this clip and practise reading some poems about animals. E.g. https://www.youtube.com/watch?v=4OwvrhmvJfI</p>	<p><u>Activity:</u> Practise writing these red words: to, the, of and said.</p> <p><i>Challenge:</i> Can you write these red words in a sentence?</p>	<p><u>Ordering numbers within 20 (smallest to biggest):</u></p> <p>Activity: Have a go at ordering these numbers.</p> <p>a) 2 , 9 , 10 & 5 b) 5 ,19, 12 & 3 c) 20 ,18, 4 & 11</p> <p>Complete the 2Do on Purple Mash: 'More than or less than - Cloze'</p>	<p><u>Design & Technology</u> <u>Activity:</u> First design and label your own flag you're your pirate ship. Then, using materials at home see if you can make it! Once ready, hang it on your pirate ship- could you give your pirate ship a name and add it to your flag?</p> <p>Complete the 2Do on Purple Mash: 'Treasure Chest'</p>	<p>Enjoy storytime of the following book 'supertato'. Link: https://www.youtube.com/watch?v=QlaMeNmTG6c</p>
<p>Friday</p>	<p><u>Phonics: ow</u> (ow, brown cow). E.g. cow, brown, frown, down, etc.</p> <p><u>Reading:</u> Reading game: (read the words using Fred talk) https://www.ictg</p>	<p><u>SPAG: Full stops in sentences:</u> Please re-write the sentences below with full stops. Remember</p>	<p><u>Subtract numbers within 20 by crossing 10.</u> (will be recapped on Zoom)</p> <p><u>Watch White rose clip:</u> https://vimeo.com/492197096 <i>Children can record the number sentences on paper and do not need to print worksheets off.</i></p>	<p><u>Design & Technology</u> <u>Activity:</u> Create a mask of their chosen pirate character. You could use any materials that you have at home such as cardboard or</p>	<p><u>Outdoor Learning Task:</u> Create a Tree ID (nature journal). When outside for exercise see if you can find 3 different tree species. Sketch the tree, take a photo and ID. Challenge: Can you write some sentences using</p>

ames.com/mobilePage/helpAHedg ehog/index.html

your writing checks too.

The ship was very old
I can see a pair of boots on the mat
I can count seven coins

Complete the 2Do on Purple Mash: 'Create a Story'
(Make a 'simple story' of your choice.)

Activity: Make a tens frame and use loose parts to practise. You can even use pegs and a hanger and when you take away you can take a peg off.

Have a go at these:

- 1) $13 - 2 = ?$
- 2) $11 - 3 = ?$
- 3) $12 - 5 = ?$
- 4) $14 - 9 = ?$
- 5) $17 - 8 = ?$

Complete the 2Do on Purple Mash: 'Position - Cloze'

paper. Take a photo and share on Purple Mash or email.

Complete the 2Do on Purple Mash: 'Treasure Map'

adjectives to describe them (2 at least)?
