

Suggested breakdown of Home Learning Tasks, week beginning 13/7/20

Following feedback discussions with parents I have provided a suggested weekly breakdown of tasks as well as a learning menu so that you can decide which you prefer.

- Today we are going to explore the world. Choose one country which you would like to go to and find out what it is like. Use this link to help you. <https://www.bbc.co.uk/bitesize/topics/zyhp34j>
- Once you have chosen, create a poster of all the information you have found out about this country. Can you write some sentences explaining why you would like to visit that country?
